Subject: The NASU Vote

As two Christadelphian sisters in isolation, we wish to make our position on the NASU document clear to the committee. We, the undersigned, join with our brothers and sisters in the St. Louis, Mo., Republic, Mo., Tri-City, Ar., North Little Rock, Ar., Ft. Smith, Ar., Clinton, Ar., Conway, Ar., Del Rio, Tx, San Antonio, Tx., and Mississippi ecclesias in unanimously rejecting the NASU "bridging" document.

We wish also to state that we reject the authority of the self-appointed NASU committee and remind them of the words of the Apostle John in I John 2:19. We are saddened by the fact that a committee, which had as its goal "unity", has, in contrast, produced "disunity". Your efforts have further fractured the fragile brotherhood and should now cease.

It is to be clearly understood that we meet exclusively on the Unamended Statement of Faith and will not fellowship the Amended, CGAF, or any others preaching a false gospel. Further, we will not knowingly break bread with those who do.

Please remove our names from any mailing list.
