

# **MT. SHERMAN CHRISTADELPHIAN ECCLESIA**

**PO Box 21**

**Mt. Sherman, KY 42764**

**Date: February 1, 2005**

**To: The NASU Steering Committee**

**The Mt Sherman, KY Unamended Christadelphian Ecclesia would like to state our position on the NASU proposal.**

**Our Ecclesia does not recognize the "self-appointed" status of the NASU committee, nor their authority to compromise our doctrine.**

**We do not wish to vote or participate in any way in this effort. We feel that we will be aiding in creating a third fellowship.**

**The NASU committee has no right to request statistics as to whom in each respective ecclesia is for or who is against NASU. Such interfering in the internal affairs of other ecclesias is sowing discord among brethren that would otherwise meet in harmony. Because of this discord, that was originated by NASU, our meeting has split. We may not be the first ecclesia to split over this movement and we feel like we will not be the last. We are but few in number, but will focus on provoking unto love and good works (Hebrews 10:24), and follow after the things which make for peace (Romans 14:19) with those who share our understanding of the scriptures.**

**The Truth, as defined in the Unamended Statement of Faith is our basis of fellowship. This has been our basis of fellowship from the beginning of our ecclesia some ninety years ago. It is announced each first day of the week at the beginning of our meeting, and will continue to be so read, until our Lord and Master returns, or as long as we have any being.**

**We also believe the evil currently in the land is a test...a test that will reveal those willing to contend for the faith.**

**We, as a whole that remain, of the Mt. Sherman Ecclesia choose to stand apart and reject the NASU Unity Proposal. We do not wish to receive any more correspondence from you. We wish to be removed from your Phase 2 efforts.**
