RE: NASU vote response

After much prayer and examination of the NASU document, we, the members of the Tulsa, Oklahoma Unamended Ecclesia have determined that we do not support the NASU document.

As an ecclesia, we are not opposed to unity in the body of Christ, however, we believe that this unity must be based on true agreement in words and belief. We also believe that supporting the NASU document would cause further division among ecclesias. In addition, we question the right of the NASU committee to call for a vote on this matter as we find that they do not represent a true cross section of ecclesias.

The Tulsa Ecclesia will, Lord willing, continue to meet and fellowship exclusively on the Birmingham Unamended Statement of Faith both at our meeting and at the Osage Hills Gathering sponsored by this ecclesia.
